3

## How to pay or add funds

Use cash, check, credit/debit card or Electronic Benefits Card. To simplify payment, you can set up auto-charge using an electronic check or a credit/debit card. You may also add funds at any Customer Service Center.

4

## Install *Good To Go!* Pass

Be sure to install your **Good To Go!** Pass correctly by following the instructions included with your pass.

## How *Good To Go!* Tolling Works

Your **Good To Go!** Pass or license plate is scanned as you pass through the tolling area. Those without an account will be billed by mail.

- All-electronic tolls—no toll booths and no slowing down
- Tolls vary by time of day to help ease congestion during peak travel times
- Tolls are collected in both directions only when crossing the SR 520 Bridge
